

# Ignite a Culture of Innovation & Creativity!

**As Head of Innovation & Creativity at Disney, Duncan helped teams at Pixar, Lucas Films, Marvel, Disney Imagineering and Animation to innovate, creating magical new storylines and amazing experiences for consumers around the globe.**

He now brings his Disney Experience to audiences around the world, delivering a inspirational keynotes and masterclasses that help people capture unlikely connections, leading to disruptive thinking and revolutionary ideas.

*“we still use duncan’s methods in our creative exercises, and they’ve resulted in much richer results.”*

*“look no further than Duncan for one of the best investments you will ever make in your business.”*

*“thank you for giving us the tools to set us up for change, innovation and success.”*

**NBCUniversal**

**Audiences will not only leave inspired but equipped with a new set of tangible tools they can use to tackle challenges in new and unique ways.**

*All of Duncan’s keynotes feature hand-drawn illustration to inspire creativity.*
