

Most leaders feel exhausted and overwhelmed so how can we expect them to be creative & innovative? This is never going to happen. In fact, what is more likely to happen is there is going to be a skills crisis in the next 24 months because of burnout. You will lose valuable leadership skills if leaders crash unless you let me teach your leaders to:

**BEAT THEIR BURNOUT**

**CREATE THEIR CONFIDENCE**

**ENERGISE THEIR EMOTIONAL INTELLIGENCE**

Instead of leaders wasting energy on politics, back-stabbing & gossiping in their teams, imagine having commitment, accountability & a team-focus on results?

## HOW DO WE SURVIVE AND THRIVE AFTER:

- COVID
- SECTION 189's
- THE GREAT RESHUFFLE

“Over **50%** of teams struggle to perform because they don't know how to communicate with one another. **70%** of team communication is now thought to be online, which makes communication even harder.

How do we build trust between team members now?

We learn **how to have crucial conversations** that result in the inclusion of everybody's diverse voices **with a focus on how each team-member achieves high-performance.**

RIGHT NOW is the time to **get results** because we

**Saffron's expertise lie in facilitation & coaching on:**

**Inclusion & Diversity**

**Team Transformation**

**Compassionate Leadership**

**High Performance Teams**

Commitment, accountability and paying attention to results is
