Keynotes & Workshops

The Age of Social Impact

Exploring social entrepreneurship and social innovation as part of the way we do business to add value to stakeholders, achieve the Sustainable Development Goals and keep abreast of the times.

BOOST Resilience

Build and maintain personal resilience through eating, moving and sleeping better to achieve improved performance.

Personal Branding in a Digital Area

Define and create an authentic personal brand, leveraging your expertise and social media to add value to your niche through your unique voice.

Better Me, Better Us, Better Workplace

Improve individual and team performance and relationships by increasing EQ (emotional intelligence) and understanding the diversity of different personalities through the enneagram.

Purposeful Visualisation & Goal Setting

When you know why, you can figure out how. Uncover your purpose and fulfil your potential living a life of wholeness.

The Power of Mentorship

Achieving exponential personal and career growth through mentoring.

Speaker

Ntsiki is the founder of MentHer, a global mentorship network supporting female social entrepreneurs which launched in May 2020. Along with its signature mentorship programme; Social Impact Founders Club, aimed at connecting social entrepreneurs with one another and with mentors globally. In 2021, MentHer will publish its first digital Magazine on the 8th of March in celebration of International Women's Day.

Ntsiki recently completed her Masters in Social Innovation, with distinction, at Glasgow Caledonian University. Her previous work experience includes being the Chief Purpose Officer at Making Resilient People, National Programme Manager at Clothes to Good and Partnerships and Events Manager at Small Business Connect.
