

A man with short brown hair and blue eyes, wearing a dark blue textured blazer over a dark blue t-shirt, is pointing his right index finger directly at the camera. He has a serious expression. The background is a dark, solid color.

UNLOCK YOUR INFLUENCE

 **GILANGORK**
INFLUENCE INSTITUTE MENTALIST

GLOBAL AUTHORITY ON INFLUENTIAL LEADERSHIP

As a best-selling author, speaker, and executive coach, Gilan has worked with leaders in over 40 countries – from Fortune 500 companies, governments, the military, and organisations like NATO.

Gilan's unusual background as an expert mentalist, and his special skill to deconstruct influence into practical frameworks, helps leaders to predictably elevate their impact and achieve success faster.

Gilan's reputation has been built on his ability to amaze and equip leaders by showing them things about themselves they've never seen before, unlocking their full potential to solve the world's biggest problems.

The Influence Institute was founded by Gilan, as the research and training arm for his projects with global clients, which include:

Gilan's vision is to create a world where leaders are equipped with the tools and knowledge to be conscious, responsive, and purpose-led, allowing them to not only achieve success, but also inspire and empower those around them.

By providing leadership development keynotes, masterclasses, and other training services, Gilan strives to foster a global community of influential leaders who are dedicated to making a positive impact in their organisations and the world.

🗨️ **Together, we can create a brighter future where all leaders are driven by integrity, compassion, and a desire to make a difference." - Gilan Gork**

TRENDING TOPICS

Gilan's primary work is with leaders, however, as a global authority on influence, Gilan's topics can also be applied to sales, negotiation, and more. Every session Gilan delivers is customised to outcomes you need.

THE RAPID INFLUENCE FORMULA

Predictably Create Influence In Any Situation

Gilan presents his groundbreaking *Rapid Influence Formula* that deconstructs influence into three simple components, enabling you to create quick and impactful influence without ever compromising your values. This simple yet profound formula helps you develop influence through establishing trust, credibility, and support with other people with predictability.

UNLOCKING GROWTH POTENTIAL

Break Free from the Chains of Fixed Mindsets

Your mindset comprises your beliefs and assumptions - forming a mental lens that shapes what information you take in and use to interpret and navigate the situations you encounter. It's why two people often interpret and react to the same situation in completely different ways, and is why, according to the latest research, mindset is the most crucial attribute for high performance.

THE MENTALIST EXPERIENCE

Intelligent Entertainment Showcasing The Power Of Influence

Prepare to be enthralled, astounded and inspired as Gilan demonstrates his phenomenal abilities of influence, thought-decoding, and even “predicting” audience’s thoughts and action before they've realised them. This is not just a show, but an immersive and interactive experience, loaded with hilarious interactions that will leave your guests on the edge of their seats, guessing and wondering how Gilan does it.

Besides his Mentalist Experience "show", Gilan uses his compelling mentalist experiments within his keynote talks and masterclasses, to create a totally unique learning experience. You may also enquire about Gilan as a facilitator or master of ceremonies for your event.
